Over the past few years the Archaeology Week has become a major event in our community. We would like to announce that the event will be held this year from March 29th to April 1st. This week is above all else an opportunity for the archaeological community to share knowledge about a common passion. Also note that this year's Student Ethics Competition in Archaeology will be held at the University of Montreal on Friday April 1st.

Submissions must be sent by email to reaumudem@gmail.com. The email must contain a presentation title, an abstract of no more than 150 words, your contact information, availabilities, and your institutional affiliation. Sessions will be held from Monday to Thursday; please indicate your preferences. Presentations will be of a duration of 15 minutes with a 5 minute layover time between presentations. The deadline for submissions is February 29, 2016.

A student committee will examine and decide which submissions are selected. All subjects are welcome as long as they are within the bounds of archaeological interrogation. Feel free to contact us if you would like to organise a thematic session or a round-table conference. Thematic diversity and student participation are strongly encouraged.

We hope to see you there!
